How to get some points

How to create prepaid code from your account:

1. Klick 'Create Prepaid code' on your account page
2. It will show this page
3. Enter the ammount point you want to create (less than 10.000, for ex: 2000 points)
4. Klick 'CREATE'
5. It will show the code and how many points you have created (like this)

カード名称	発行ポイント数	プライベート番号 (管理番号)	
WebMoneyポイント	2,000	p8cr 2ia2 8dsx 3sny (2008081591502768)	2008.08.15 10:51:33

This is your 16 digits code

6. Current Point on your account will change (blinking)
